

Dear West High Alum:

We at Wichita West High School would like to announce the beginning of the West High School Alumni Association. This is your opportunity to become a charter member.

The purpose of the Alumni Association is to link the past with the present. West High School has a rich tradition of Alum with outstanding accomplishments in the community and in their lives. It is important for our current students to see the successes that await them once they graduation from West.

The funds generated will go to improvements to the school such as the surrounding school grounds, community events, student activities and many other opportunities for West to remain the best.

As an Alumni Member you will be recognized for your donation in the athletic programs both in the Fall and the Winter as well the schools Website. Trailblazer club members will also be recognized on a plaque that will be displayed in the main office of the school.

This is a great opportunity to give back to West High School and provide new opportunities for current and future Pioneers!

Graciously,

Ronald H. Stubbs Jr.
